This Certification of Origin certifies that the hemp and hemp products produced by Miracle Nutritional Products contain cannabidiol (CBD) that has been sourced under the federally legal hemp program in Kentucky. This program is fully compliant with Federal Farm Bill section 7606. Congress and the Kentucky Department of Agriculture (KDA) have approved the CBD in these products and the regulatory pathway to grow, cultivate process, and market hemp and hemp-derived CBD and sell these products nationwide.

These products have been manufactured using a proprietary cold pressed Co2 extraction method using no dangerous solvents. All products are tested and evaluated by a third party testing lab verifying purity and testing for contaminant , minerals, carcinogens and pesticides. COA's (Certificate of Analysis) are available for all products on our website or by contacting our corporate office at (863) 703-HEMP
